**Notes**
• List all authors in the order they appear on the publication if there are ten or fewer authors. If there are more than eleven authors, list the first ten followed by *et.al.*
• Journal names are abbreviated according to a list of sources in the back of the style manual
• If the date is unknown, put date unknown in square brackets in the citation where the date should be: [date unknown]
• If there is not an individual author(s), provide the corporate author or name of the agency or organization who published the work.
